

WEST JACKSONVILLE WATER SUPPLY

Boil Water Notice Rescinded

March 12, 2025

On **March 10, 2025**, the Texas Commission on Environmental Quality required the **West Jacksonville Water Supply**, a public water system, PWS TX0370036, to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of March 12, 2025 at ___

If you have questions concerning this matter, you may contact Sammy Grimes, Operations Manager at 903-586-7063. The line break was repairs, the lines flushed, and laboratory samples taken to ensure water quality.
